Starting Point

A Conversation About Faith

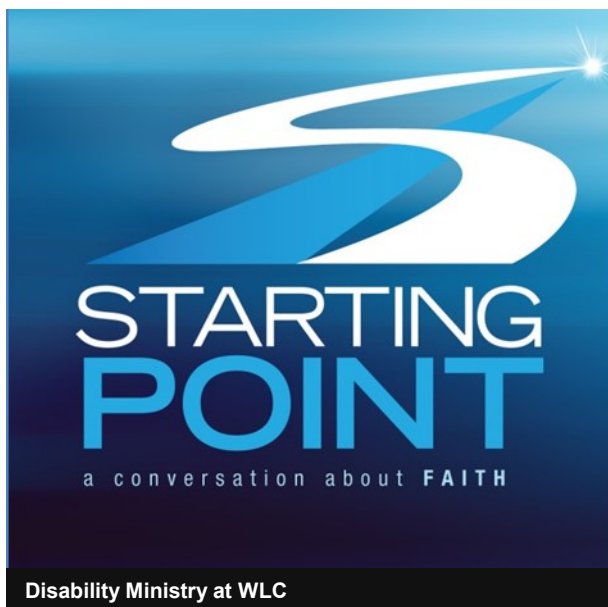

Everything has a beginning. Every person, every idea, every journey starts somewhere. What about Faith? Perhaps you have been on the journey for a long time, have stepped away for a while or just want to explore more about Jesus?

On Easter weekend we will be kicking off an 8 week message series called, *Starting Point*. I am very excited to see how the Holy Spirit will be at work in the life of our congregation during this series. What I am especially excited about is how this series is going to help equip each of us to better be able to talk to others about our faith in a way that is relevant in our culture today.

Along with the weekend teaching we will be offering a *Starting Point* class on our Valley Creek Campus starting Wednesday, April 6th. The class will dive deeper into the weekend topics and is geared for people who are **curious about God, have a new relationship with**

Jesus, or are returning to church after being away for a while. Maybe this is you or perhaps you know someone who fits in one of these categories? If so, Starting Point will be perfect for you or them, you can get more information and sign up by contacting Mary Lehman at: lehmanm@woodburylutheran.org The class will be limited to the first 25 so do not delay!

We VALUE Movement

Living Out Our Values

Over the past several months I have been reflecting on the values that make Woodbury Lutheran unique. Of course as followers of Jesus we have certain beliefs and practices that connect us to the wider body of Christ, but we also need to recognize that there are certain things about our gathering that make us unique from the church down the block. In the same way that each of us as individuals are a unique part of the body of Christ, so each gathering of Jesus followers is also unique.

One of the great learning's that research has been showing us around the idea of helping people grow in their faith is the importance of having a simple pathway where people can clearly and easily see their next step. One of the biggest challenges in a large congregation is keeping the path from becoming cluttered with too many "good" things that will then distract people from taking their strategic next step as they seek to grow as a disciple of Jesus.

When we did our values work we believed very strongly that we needed to embed in our DNA a value around movement and over the last couple of years we have made great strides in helping to make movement a core value for us at WLC. We have laid out a clear path for disciple development through the Discipleship Path and the Connection center has literally helped hundreds of people get moving into their next step.

We Value Movement – Faith Doesn't Stand Still. In 1 Peter 2:2 we read, "Like newborn babies, crave pure spiritual milk, so that by it you may

grow up in your salvation..." A faith that is not growing is a faith that is dying.

My challenge to you, whether you have been with us at WLC for a day or a decade is to pray about what your next step is and then stop by the connection center after a service and talk to one of our connectors about where God might be moving you!

Moving Together,

Pastor Tom

PS – Take some time to work through the movement exercise on the right to see how God has been moving to grow your faith!

My Faith Journey

Individual reflection...

Looking back on your faith journey, where do you now see times of movement and growth?

What kinds of things did God use to move and grow you?

How did He use your growth and movement in the bigger picture of His kingdom?

"What fuels the development of faith? What are the ingredients that, when stirred together, result in greater confidence in the person and promises of God?"
~ Andy Stanley, *Deep & Wide*

Practical Teaching

*Biblical teaching that left you challenged,
deeply engaged, wanting more, moved to
action.*

Private Disciplines

Practices that introduced a sense of intimacy and accountability in your faith walk, that connected you more deeply to the heart of God.

Personal Ministry

When you engaged in serving in a ministry and realized that God was using you—your gifts, your past, your inadequacy—for His kingdom and His glory.

Providential Relationships

When you encountered an individual or a group that helped you hear from God or in whom you saw God.

Pivotal Circumstances

Defining moments in your faith journey—positive or negative—that God used to drive you to Him.

LINC Twin Cities

LINC Twin Cities: Helping Christians “Harvest the Nations” Here in Minnesota

In 2015, LINC Twin Cities’ Executive Director Rev. Dr. Funghatou Lo and his staff visited about fifty different churches across Minnesota. What they observed was that the majority of churches are very mono-ethnic when compared with their neighborhoods. Even when and where there are different ethnic ministries utilizing the same building, they are not worshipping together. For the church not only to survive but to thrive in future, congregations must come to reflect the diversity of their communities and have younger and more diverse disciples. In response, LINC Twin Cities is focusing more than ever on helping local congregations match the diversity of their surrounding communities. The goal is to see Revelations 7 happen on earth as it is in heaven – every nation, tribe, people and language worshipping together.

To assist Christians to become better disciplers in diverse communities, LINC inaugurated *The Harvest Incubator Mission* (HIM) to train missional leaders the way Jesus did, through active discipleship. The year-long process began in March with a diverse cohort of thirteen disciples including Somali, Latino, Caucasian, Hmong, African-American and Ethiopian members. The cohort meets every two weeks as a group for encouragement and prayer as well as teaching from Rev. David Seabaugh of Bethel Lutheran Church in St. Paul. Rev. Dr. Lo and DCO Kurtis Smith meet with members for individual coaching between cohort gatherings. The goal is for each member to be making their own disciples by the end of their year. Two more cohorts are planned in 2016 and by the power of the Holy Spirit the prayer is that it will multiply to four cohorts with forty-eight disciples in the third year. Through HIM, LINC Twin Cities is even beginning to expand into Ethiopian ministries around the nation. Anyone can join a HIM cohort as long as they want to follow Jesus more deeply. Contact Kurtis Smith for more information: kurtis@linctwincities.org.

During 2015, LINC Twin Cities also launched All Nations Youth For Christ (ANY4Christ) to supplement church youth groups with cross-cultural activities and

relationships. The goal is to help youth groups better reflect the ethnic and cultural diversity that their generation experiences in the world outside of the church. A new LINC Twin Cities staff member, Deaconess Sylvia Witt, from Concordia Seminary in St. Louis, has been added to help implement this ministry.

Other ministries of LINC Twin Cities include HIP (Harvest Intercessory Prayer) which trains local congregations and individuals to connect with their communities through prayer, and HER (Harvest Equipping Resources) which has the goal of equipping churches and individuals to be effective in their particular callings.

Finally, LINC Twin Cities is praying to launch a new multi-ethnic congregation in the Twin Cities and invites you to join in prayer for that vision every Sunday afternoon at 5:00. Call LINC Twin Cities for more information at (651) 321-2276. ~ Len Score

WLC Small Group

Small Groups Are Thriving and Walking the Discipleship Path

We are one small group away from having 550 people in Small Groups across our campuses. Thank you to Naomi and all of you leaders for being so great(er)!

We received some great feedback on the invitation to share a story of how God has been at work in your Small Group. Here is a glimpse of those responses:

After 2 years we are becoming very comfortable with walking together in life, so it has been awesome watching our transparency with one another grow.

Of not knowing some of the members when we started, we have all grown to care about each other. When we don't see someone in church, one of us will call to see if everything is alright.

Several members who had found Scripture unapproachable previously have found solutions for developing daily Bible-reading time that fits their needs and come back to the group excited to share what they have encountered.

Our trust levels have increased from some of the members and our prayer requests have gotten deeper and more transparent.

We went through a rough patch but stuck it out and there have been renewed relationships from this.

Our group has really grown in our ability to open up to each other, and to pray with and for each other.

Is it time for you to be in a Small Group? Contact for Valley Creek Campus: Mary Lehman: lehmanm@woodburylutheran.org or 651-739-5144. Contact for Oak Hill Campus: Naomi Golnitz Naomi@golnitz.com or (651) 779-4167.

Changes to Our Annual Good Friday Prayer Vigil

Our Annual Vigil is a time set aside for individuals, families and small groups to spend 30 minutes in prayer. Our vigil is a way of responding to Christ's invitation to *"Stay here and keep watch with me."* *Matthew 26:38*. This is a wonderful practice for families and a step (Worship) on our Discipleship Path.

Valley Creek vigil begins after the Maundy Thursday worship service and continues through midnight on Good Friday (we will break during the Good Friday evening worship service.) This is a round the clock vigil *now held off site*. Those who choose to pray will pray at their home.* We encourage you to pray with your family or invite your small group members to join you.

A sign up will be posted close to Holy Week. When you sign up there will be more information for you. *Note, more than one person or family and choose the same time.* Contact Mary Lehman 651-739-5144 x201 or lehmanm@woodburylutheran.org if you have questions.

*If you want to pray at Valley Creek campus, you can do so while the church building is open – 8:00 AM – 10 PM. Please use the Prayer Chapel near the office for your prayer time. **NOTE:** There maybe times that the church will be unoccupied

Garage sale Treasures Needed!

Is it Spring Cleaning Time at your house yet? Please hang on to your things a little while longer! The youth will be collecting those slightly used "treasures" for the upcoming Lions Garage Sale held on May 12-14. Collection dates will be May 10, 5:30-8:30pm and May 11, 4:30-8:30pm. Please drop donations at the East entrance of the Valley Creek campus. We ask that you have all clothing sorted, bagged and labeled in the following categories - men, boys, women, girls and infants. It helps tremendously - thanks! Sale proceeds support youth attending mission trips and NYG. If you have any questions call Shanna Salzman at [612-859-1365](tel:612-859-1365).

Clean out your closets and storage!

5 WORDS THAT CAN CHANGE THE WORLD

WHAT NEEDS TO BE DONE?

What if we walked into every situation and asked this question? How different would our world be?

GET YOUR CHILDREN TALKING

This month, during a mealtime, present different scenarios to your children and ask, "What needs to be done?" Encourage them to think outside the box and give more than one answer for each situation you present. Here are some ideas to get you started.

WHAT NEEDS TO BE DONE ...

 in our home?	 at our neighbors'?
 in my school?	 in our city?
 at our church?	 around our country?
 at my grandparents' home?	 around the world?

The next step is to take action. After coming up with some answers, brainstorm how your family can start becoming world changers by choosing one or two of your best ideas to put into action this month!
